Suicide of a Young Woman at Peru-Death of a Former Grand Master of Indiana Odd Fellows.

Special to the Indianapolis Journal. TERRE HAUTE, Ind., March 28.-The joint committee of the Indiana miners and operators was in session until midnight, and when it adjourned both miners and operators said the contract surely would be signed to-morrow. The committee practically reached an agreement, but the provisions will have to be passed on by the full conference.

Most of to-day was spent in wrangling. The joint committee last night adjourned to meet this afternoon, the morning to be occupied by the miners in a secret convention to hear the report of their representatives on the joint committee. But the miners got into a heated discussion which strong instructions from their local lodges to stand firm for certain things and natur- of the Odd Fellows in Indiana are exally they feel that the committeemen pected to be present. should not yield a point.

The hitch to-day, which seems now to have been adjusted, was on three clauses of the wages contract. The most serious disagreement between operators | FORT WAYNE, Ind., March 28 .- Mrs. and miners was over the "check-off," Mary Gable, of No. 40 Madison street, rewhich means the stipulation in the contract that the operator shall collect the dues and assessments for the United Mine Workers. grandson, Claude Gable, a private in Com-Another clause on which there has been disagreement is the demand of the men for the privilege of buying powder in the open market. The third was over a misunderstanding of the minimum thickness of a vein of coal to which the price of mining fixed at the Indianapolis conference-80 cents a ton-shall apply. The men wanted three feet three inches as the minimum. A resolution was adopted, but afterward it was discovered that miners and operators did not understand it alike. It provides for | Bushart, who lived at Germany, eight miles an additional price for mining veins of less

LAPORTE, Ind., March 28.-The Niles & Scott Company, manufacturers of metal wheels for agricultural implements, has announced a voluntary increase of 8 per cent. in the wages of employes in certain departments of its plant.

MILL BURNS AT NEWPORT.

Loss of Fully \$35,600 on Building, Machinery and Corn.

Special to the Indianapolis Journal. NEWPORT, Ind., March 28.-The Newport corn mill, located at this place, and owned by the Newport Milling Company, of which A. H. Nordyke, of Indianapolis, was fifty years old and left six children, three the principal stockholder, caught fire at 5 o'clock this morning and burned to the ground in less than an hour. The fire be at Germantown. caught in the third story from the dryers. The loss on building and machinery is \$25,-000, partially covered by insurance. There were 15,000 bushels of shelled corn in the mill, worth at least \$10,000, on which there was a partial insurance. It is said the mill will be rebuilt. The mill had a large export trade, which necessi-

A representative of the Montezuma Mill Company, who was in this city last night, said the loss by the burning of the Newport mill was \$50,000, well protected by insurance. The Newport mill was one of a | death. group of several mill properties owned and operated by the company, and it was run exclusively in the manufacture of brewers' hominy, meal and grits, for which the company has large contracts. The company had arranged to convert the main mill at | Carolina Montezuma, which is several times the capacity of the one burned, into a similar mill, and therefore will be only temporarily embarrassed in filling its contracts.

tated running day and night to fill orders.

JUMPED HIS BAIL.

George Brooks, Accused of Assault with Intent to Kill.

Special to the Indianapolis Journal.

VINCENNES, Ind., March 28.-George Brooks jumped his bail here this afternoon just before his trial in the mayor's court on the charge of assault and battery with intent to kill Atwell Jackman, and it is believed he is now in St. Francisville, Ill. In January Brooks disfigured Red Jackman with a razor at a toboggan slide near here. Twenty-two young women, employes of the Novelty works, who witnessed the cutting, were in court to testify at the hour for trial, and on hearing of Brooks's escape did not hesitate to state their displeasure. Jackman, the injured man, also is an employe at the Novelty works.

Small Fine for Assault.

Special to the Indianapolis Journal. SULLIVAN, Ind., March 28 .- The jury in the case of W. B. Pigg, held on a charge of assault with intent to kill, returned a verdiet of guilty of assault and battery, and assessed a fine of \$100.

MUNICIPAL POLITICS.

Figure in Connection with the Manson U. Johnson Case.

Special to the Indianapolis Journal. SULLIVAN, Ind., March 28.-Manson U. Johnson, of Anderson, Ind., a school supply dealer, who is missing from that city and who, it is alleged, has forged county warrants, has probably accomplished some of his work in this county. Ed P. Snow, trustee of Cass township, purchased a heating apparatus of his firm. Recently a note for \$500 was sent to the Farmers' State Bank here for collection, and another for the same amount followed. They were payable to Johnson. Mr. Snow declares they been informed that another note for \$500 is

Forgeries Amount to \$4,000.

The forgeries by Manson U. Johnson of the names of township trustees of Marion county will, it is thought, amount to \$4,000 or more. The trustees will not, however, lose anything because of the forgeries. Some of the warrants were realized upon and others when presented were questioned and returned. The names of Trustees Samuel Kissell, H. Brown, L. W. George, Samuel Beaver, Thomas Wonnell and Mr. McCaslin have been forged to warrants calling for several hundred dollars each.

The forgeries are said to have been rough imitations of the signatures on warrantssent to Johnson in payment of school supplies purchased of him. In each case the forged warrant purported to have been issued in payment for heaters purchased by the trustees.

one thousand hands will be idle.

NEW YORK, March 28.-No meeting of the subcommittee of the National Civie Federation was held to-day. During the day, however, Ralph M. Easley, secretary of the federation, and John Mitchell, pres ident of the United Mine Workers of America, met and talked over the situation. Mr. Easley announced that no formal meetings would be held before Monday. Mr. Mitchell said he had received no word from the mining districts during the day.

Eight-Hour Day to Be Demanded. YOUNGSTOWN, O., March 28.-At a meeting of the executive board of the National Association of Blast Furnace Work-

ers to-night it was decided unanimously that notices should be sent to all blast furnace operators on April 1 demanding an eight-hour day at present scale of wages to take effect May 1. President McMahon says he has the assurance of the employes of the United States Steel Corporation of workers in the union.

No Increase for Miners.

President Samuel Gompers, of the Amer- operators ratified an agreement and finally defeated in their main contention, securing neither an increase in the day wage scale nor the employment of shot firers by the and firemen and brewery workers as sus- operators. The only concession by the latter was the employment of shot examiners.

Ordered to Strike April 1. SAGINAW, Mich., March 28.-The United Mine Workers of Michigan have been called out for a general strike to begin April 1 on account of the failure of the operators and miners to adopt a wage scale and adjust differences during their recent meeting here. The call affects twenty-one unions throughout Michigan, with a membership of 2,300. The present scale of wages expires on

Wages Increased Ten Per Cent.

BETHLEHEM, Pa., March 28.-An increase of 10 per cent. has been made by the Thomas Iron Company in the wages of the men employed at the company's furnaces at Hellertown. After April 1 laborers will receive \$1.20 a day, the highest paid them in many years. The 10 per cent, increase includes also the men employed in the mines which furnish ore for the furnaces.

Joint Conference. CHICAGO, March 28 .- A joint conference between manufacturers and workmen conto-day. The conference is an annual af fair between the Stove Founders' National Defense Association and the Iron Molders' Union of North America, and is held for the purpose of entering into a contract between the two bodies, which shall govern their relations for the following year.

Strike in Yarn Mills.

FALL RIVER, Mass., March 28 .- About 300 operatives of Globe yarn mills Nos. 1 and 2 are out on a strike. These mills are owned by the New England Cotton Yarn Company, which did not enter into the recent agreement among the local mills to day by the miners and the rest of the op- advance wages 10 per cent. The operatives demand the increase.

Gave Up Their Union.

A BOY'S LIFE SAVED!

A Grateful Mother Writes About the Rescue of Her Child.

Paine's Celery Compound

Triumphed After the Failures of Physicians.

Mrs. Tallman, of 191 Redmond St., New Brunswick, N. J., grateful for the rescue of her little boy from suffering and death,

writes as follows:

"I have used Paine's Celery Compound for our little boy. He had been under the support in the movement. There are 50,000 | doctor's care for five months, but did not seem to get much better. The physician said the child had spinal trouble. He is three years old and was obliged to creep DES MOINES, Ia., March 28 .- In accord- on his hands and knees and was too weak CINCINNATI, March 28.-The Brewers' ance with an understanding reached last to sit up long at a time. We bought a bot-Exchange of this city to-day telegraphed | night the joint conference of miners and | tie of Paine's Celery Compound, and before it was half gone, we saw a big change adjourned this forenoon. The miners were in the boy. He is now real fat and strong, and can walk all around the house, and has red, plump cheeks. Paine's Celery Compound cured him,"

In the face of such testimony, who can deny the fact that Paine's Celery Compound restores to strength, vigor and new life? Hundreds of such letters as Mrs. Tallman's are on file for the inspection of

When your children are weak, run down, nervous, fretful, despondent, have loss of appetite, slow circulation of blood, give them Paine's Celery Compound for a week or two, and note well the cheering results in returning health and vigor. We strongly urge the immediate use of the great medicine for all sickly and weak boys and girls.
